

Flavour Capsules and Functional Granules

International Product Catalogue

A curated portfolio of 183 listed configurations across eight product families, prepared for product selection, sampling and quotation.

SHANDONG TOWIN NEW MATERIALS CO., LTD.

No. 35 Xiangyu Road, Zhima Dun Subdistrict, Yihe New Area, Linyi, Shandong, China

Product Portfolio

The portfolio brings together flavour capsules and functional granules in a single selection guide for international customers. Each table presents the item number, visual colour and nominal diameter with tolerance.

How to request a sample

Select a product family, then reference the item number, colour and specification when requesting samples or a quotation.

01 Fruit Series 104 configurations
Bright profiles spanning berries, orchard fruit, citrus, melon and tropical combinations.

02 Floral Series 10 configurations
Rose, jasmine, chrysanthemum and tea-floral profiles for elegant aroma development.

03 Mint Series 19 configurations
Cooling profiles from clean mint to high-impact ice and menthol combinations.

04 Beverage Series 22 configurations
Profiles inspired by coffee, tea, cocktails, wine, traditional spirits and cola.

05 Creamy and Dessert Series 11 configurations
Smooth yogurt, vanilla, coconut and frozen-dessert profiles.

06 Herbal Series 5 configurations
Botanical profiles featuring aged citrus peel, ginseng, cordyceps and snow lotus.

07 Speciality Flavours 5 configurations
Distinctive honey, pear, ice-pop and signature cooling profiles.

08 Functional Granules 7 configurations
Functional particulate options with aroma, adsorption, controlled-release and visual properties.

Fruit Series

Bright profiles spanning berries, orchard fruit, citrus, melon and tropical combinations.

104 listed configurations

Product	Item No.	Colour	Specification
Strawberry Flavour Capsule	17-01-1001	 Pink	2.6 ± 0.15 mm
Strawberry Flavour Capsule	17-01-1002	 Pink	2.8 ± 0.15 mm
Strawberry Mint Flavour Capsule	17-01-1003	 Pink	3.0 ± 0.1 mm
